PREMIUM STAINLESS STEEL WATER TANKS

304 & 316
Food-Grade Steel

Insulated &
Non-Insulated

TIG + Seam
Welding Technology

Rust-Resistant
& Long-Lasting

DURAWOT FLEXI STEEL TANK

The Durawot Flexi Steel Water Tank is designed to be as strong, long-lasting, and clean "possible" for homes and businesses. This tank is made from high-quality stainless steel, imported from Vietnam, ensuring superior durability, corrosion resistance, and long-term performance even in tough conditions.

Using advanced TIG Welding Technology and Seam Welding precision, every joint is crafted to be strong and completely leak-proof. The tank's body is further enhanced with Multi-Grooving Technology, making it more resistant to pressure and increasing overall structural strength.

Unlike regular tanks, Durawot Flexi Steel tanks are engineered for better performance with minimal maintenance, making them a smart and reliable choice for long-term water storage.

One Switch

Changes Everything

Ditch Plastic Tanks,
Choose Stainless Steel water Tanks

Product Comparison

Plastic Tanks

Plastic Tanks VS Durawot Tanks

Durawot — Durawot Flexi Steel Tank — सुरे पुरा की सुरक्षा	
✗ LOWER QUALITY Prone to damage such as cracking, warping, and long-term degradation.	✓ SUPERIOR QUALITY Built with high-quality flexi stainless steel for durability and superior insulation.
✗ HEALTH CONCERN May affect water safety by releasing toxins and microplastics enabling bacterial buildup.	✓ HEALTH BENEFITS Designed to preserve water purity, preventing bacteria and harmful substances.
✗ SHORT LIFESPAN Typically lasts 5-7 years with little to no warranty support.	✓ LONG LASTING 10 Years Warranty
✗ VARIABLE STANDARDS Typically made with uneven or unreliable quality checks.	✓ MADE IN INDIA Manufactured with accuracy following strict quality guidelines.
