New Zealand visit of Prime Minister Narendra Modi : Trade, investment and strategic cooperation in focus

July 11, 2026

Prime Minister Narendra Modi is in New Zealand during a visit which has become one of the biggest developments in India's growing relations with the Indo-Pacific region. India-New Zealand relations have made historic steps, with the visit to Auckland placing trade, investment, defence and maritime security at the forefront of cooperation as well as long-term strategic partnership. In particular the visit assumes significance because it is the first visit by Indian Prime Minister to New Zealand in four decades. Prime
